SOCIALPAY

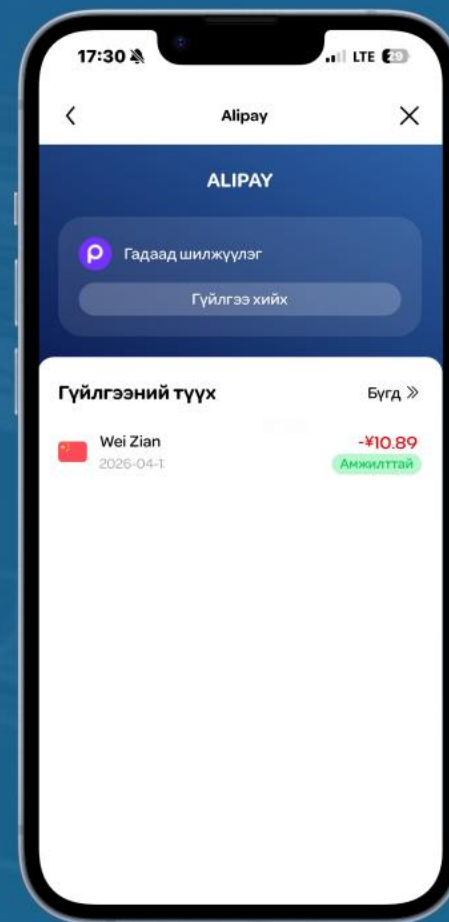

PAYSEND - ALIPAY TRANSFER GUIDE

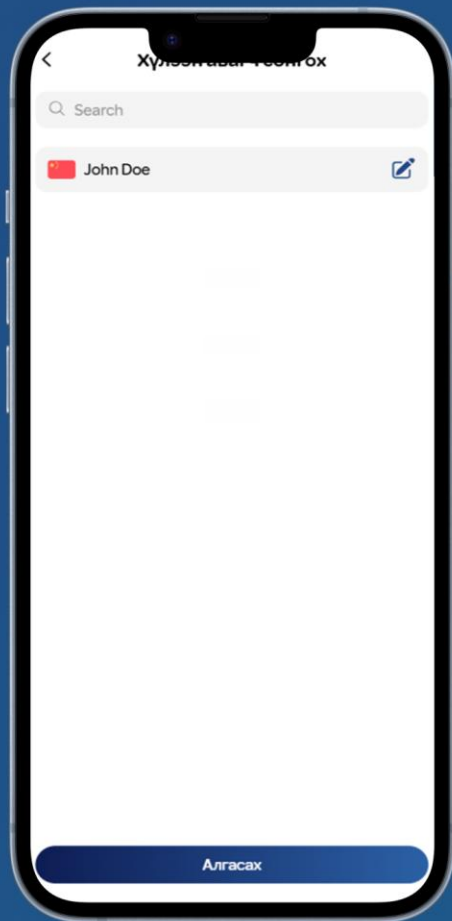

STEP 1
Open the SocialPay app and go to the Menu icon Additional Services menu.

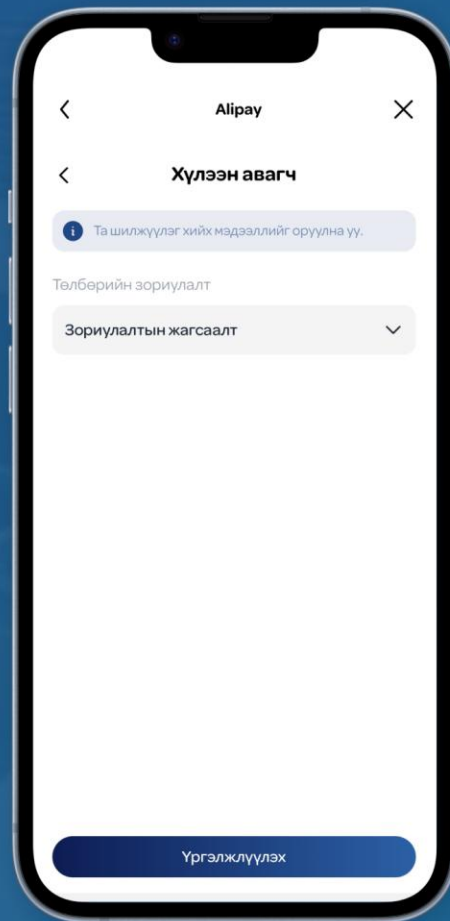

STEP 2
Select the "Alipay" service from the list and tap the "Make Transfer" button.

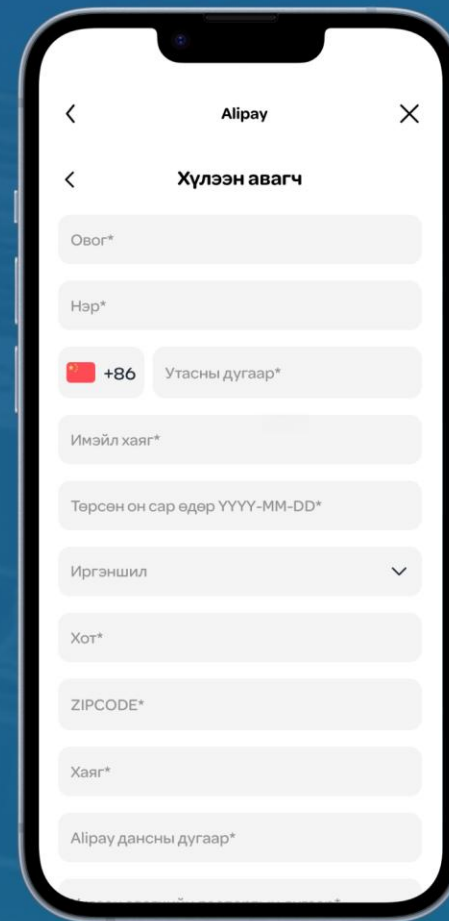

STEP 3
Tap the "Make Transfer" button.

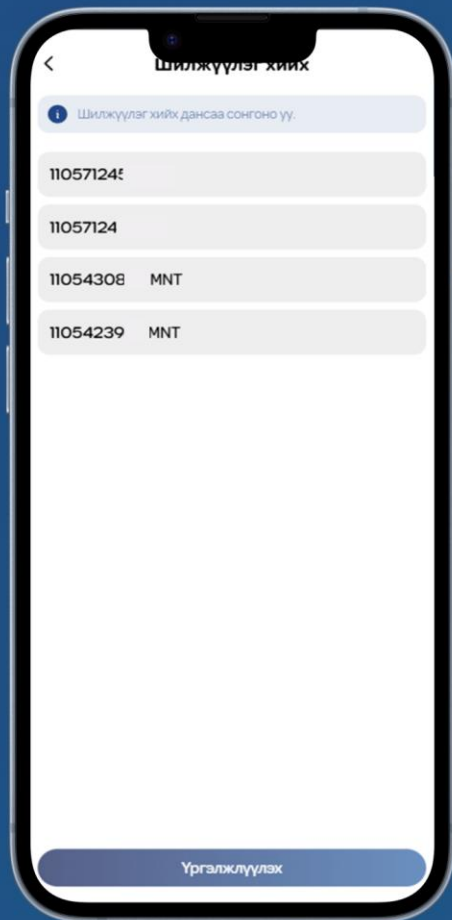

Save frequently used transfer details to reuse them for future transactions.

STEP 4
Select the destination country and payment purpose for the transfer.

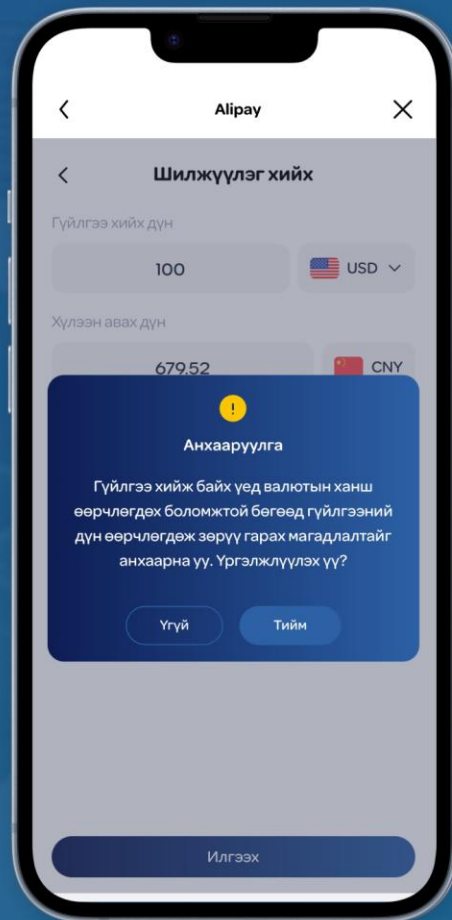

STEP 5
Enter the recipient's information completely.

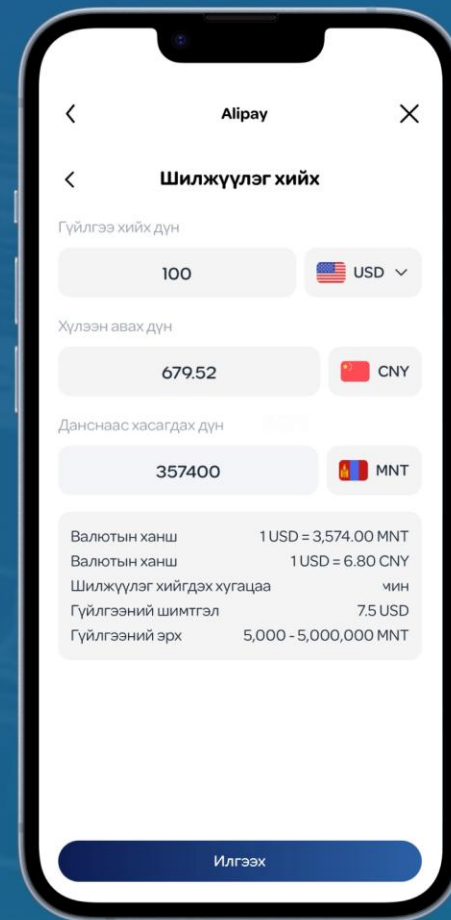

STEP 6

Select the account to be used for the transfer.

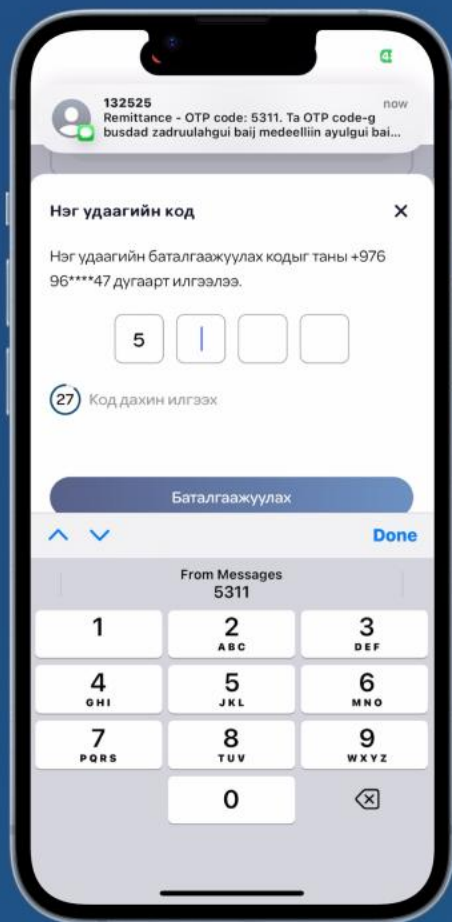

STEP 7

Review the information, agree to the terms, and select the transfer amount and currency.

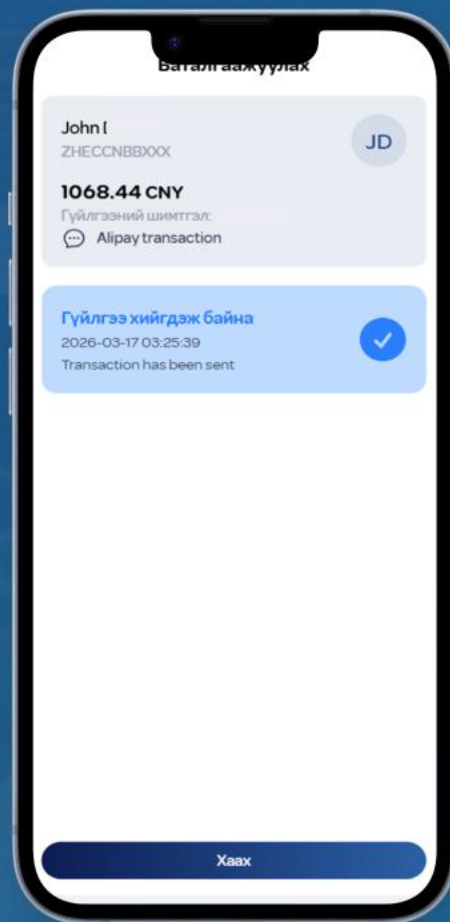

STEP 8

Review the transfer details, enter the transaction description, and tap the "Send" button.

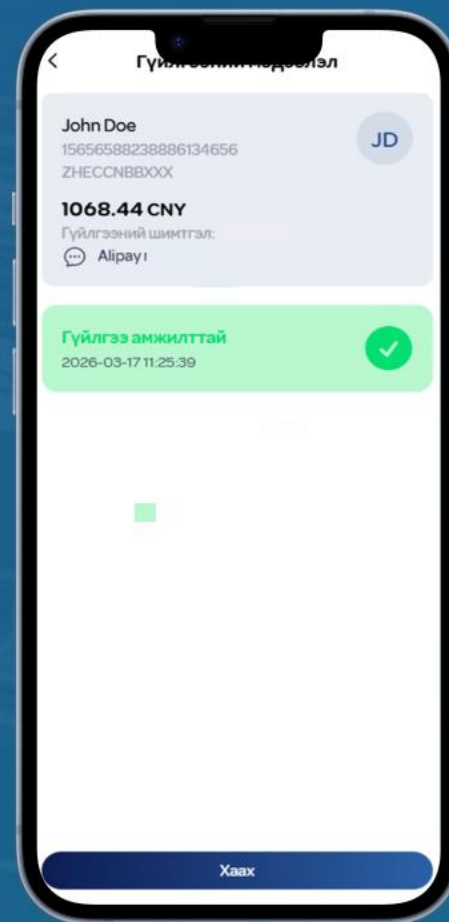

STEP 9

Enter the 4-digit verification code sent to your registered mobile phone number and tap the "Confirm" button.

STEP 10

The status of your transfer will be displayed.

STEP 11

Your transfer has been reviewed and successfully credited to the recipient's AliPay account.

Thank you for your attention
